

Color Mixing Practice

Name _____

Class _____

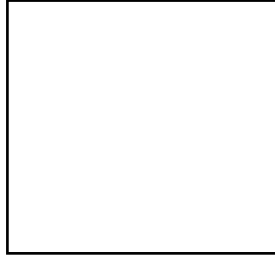

Using the primary colors, mix and create the colors for each section. DO NOT use tubes of green, orange and purple paint. No cheating! If you are stumped, ask a friend for help!

Primary Colors:

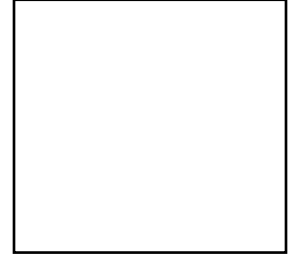

Red

Yellow

Blue

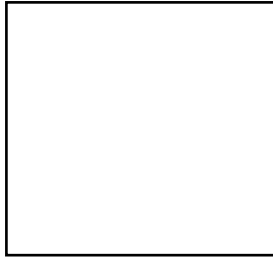

Secondary (Mix the primary colors):

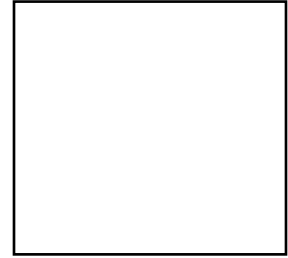

Orange

Green

Purple

Tertiary (Mix the primary and secondary colors): *Note: there are more than 3 tertiary colors. However, for this worksheet, you are only required to make 3*

Red-Orange

Yellow-Green

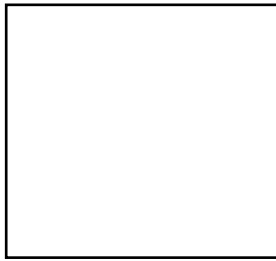

Blue-Purple

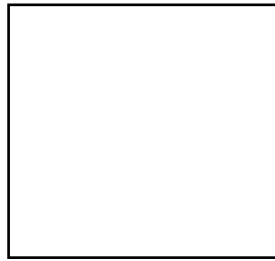

Color Matching: For this section, create a color that matches the magazine clipping.
